

BEYOND THE SURFACE™

CUSTOM-DESIGNED WALLCOVERINGS

FOR YOUR RESIDENTIAL AND COMMERCIAL CLIENTS

BEYOND CUSTOM FOR YOUR DESIGNS

Every one of your clients is different. Each one deserves—and demands—a design as individual and distinct as they are. Bespoke wallcoverings are the perfect choice for creating their one-of-a-kind homes and business environments. Now there's **Beyond the Surface™** wallcoverings—a remarkably innovative and convenient source for custom-designed wallcoverings. Boldly personalized or branded wallpaper. Floor-to-ceiling photographic images. Dramatic oversized wall graphics. Elevated ceiling treatments. Each an inspired one-off created by Street Level Studio's team of visionary surface designers.

TRULY ORIGINAL

Specifying Beyond the Surface custom-designed wallcoverings is a smart way to set your business apart. Unlike a "choose your own pattern" wallcovering resource, we're different because every one of your clients is different. We make it easy to translate your distinct creative visions into one-of-a-kind homes and business environments. Our bespoke wallcoverings don't just make a design statement. They speak for your clients... and YOU.
