

## **Street Level Studio Sinks Bank Shot with Expert Account Manager**

**June 7, 2017, Highwood, IL** – Christine Weyand has joined Street Level Studio (SLS), a Chicago-area full-service marketing and design agency, as account manager. Weyand, former marketing manager at Brunswick Billiards, is the latest addition to the SLS leadership team and brings more than 20 years of marketing experience in industries such as hotels, shopping centers, healthcare, and manufacturing.

“Having been on the other side of the desk as a client, Christine comes to us with a unique perspective on the agency-client relationship,” says Tanya Fretheim, Street Level Studio’s owner and president. “Her ability to nimbly manage projects, plus her insights from the client viewpoint, are all essential qualities we need from an account manager and critical to SLS’s continuing efforts to provide best-in-class service.”

Weyand’s hire is the latest step in Street Level Studio’s growth strategy. A mainstay on Chicago’s North Shore for almost 30 years, the now 100 percent woman-owned business plans on continuing to build its multidisciplinary team to serve its growing roster of clients representing global brands and local businesses.
